Let the music move you.

**SpotiFIVE** is home to millions of songs from every corner of the **world**.

Whether it's by keeping the classical works of the renowned artists from the bygone past alive, or giving a home to modern voices carving their names in history, our mission is to take **You** on a journey through the world of music.

A screenshot of a web browser showing a password reset form for a service called SPOTIFIVE. The page has a light blue background with a dark blue header bar at the top. In the header bar, there is a logo consisting of five vertical bars of increasing height followed by the word "SPOTIFIVE". To the right of the logo, the tagline "Let the music move you." is displayed. Below the header, the main content area has a light blue background. At the top of this area, the text "Reset your password" is centered in a large, dark blue font. Below this, there are three input fields: a "Username" field, a "New password" field, and a "Confirm Your password" field. All three fields have a light gray background and a thin black border. At the bottom of the form is a dark blue button with the word "Reset" in white. The overall design is clean and modern.

Let the music move you.

The screenshot shows a web-based application for managing song data. At the top, there is a search bar with placeholder text "Type here" and a "Search" button. On the right side of the header is a "Sign out" button. The main content area is titled "Song". It contains six input fields for "Name", "Artist", "Release date", "Genre", "Link", and "QR code". Below these fields is a section labeled "Drop the file for upload here:" with a corresponding file upload icon. To the right of this section is a toolbar with three buttons: "Add" (represented by a plus sign icon), "Update" (represented by a downward arrow icon), and "Delete" (represented by a circular cross icon). The entire application has a dark blue background.

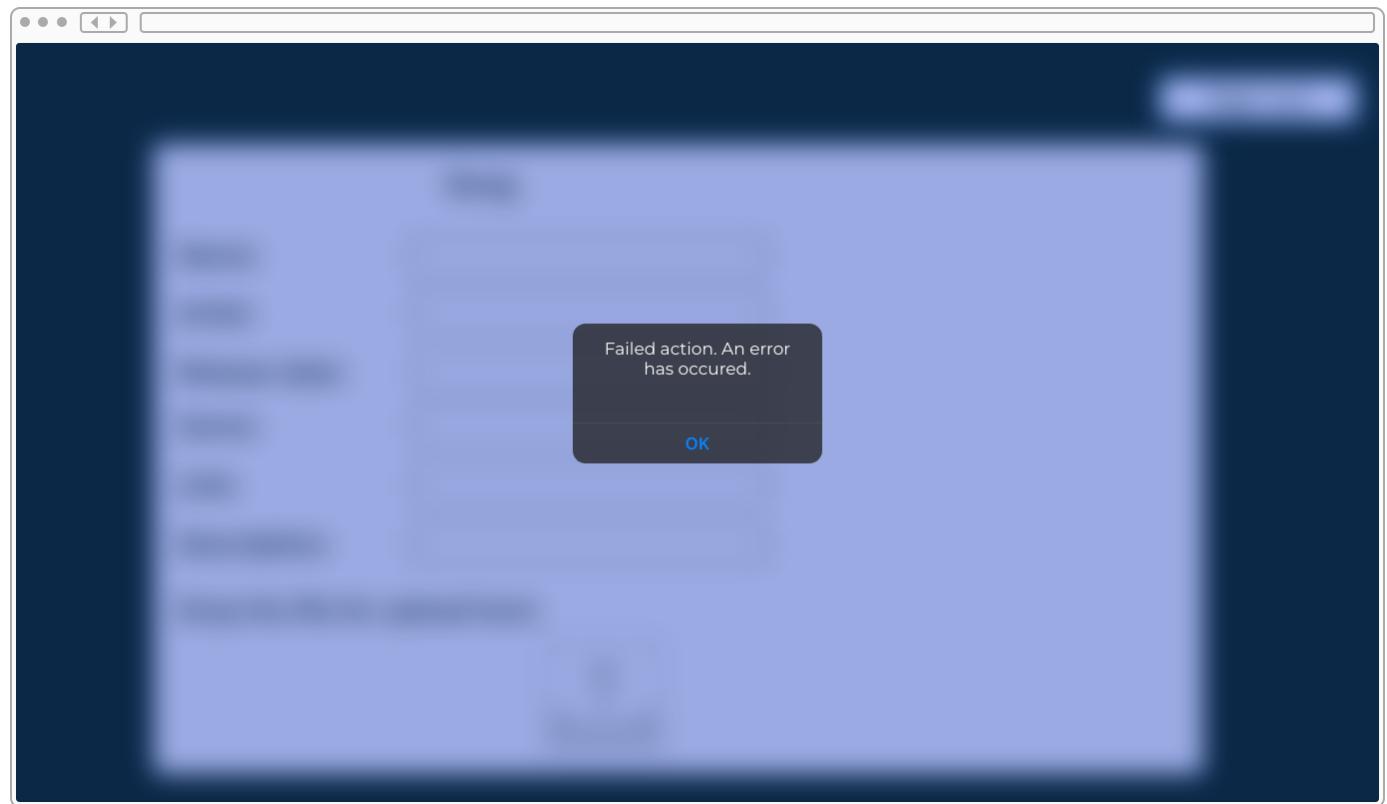

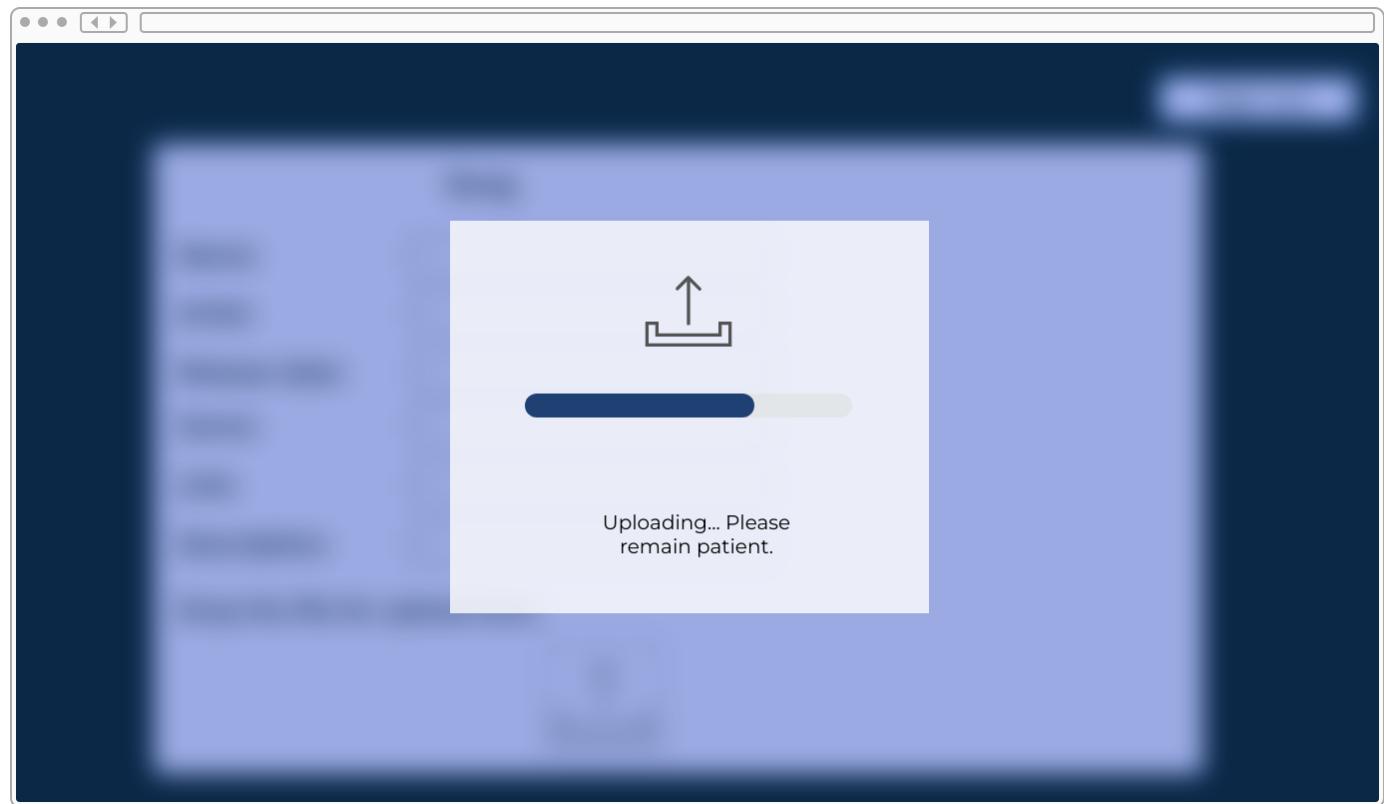

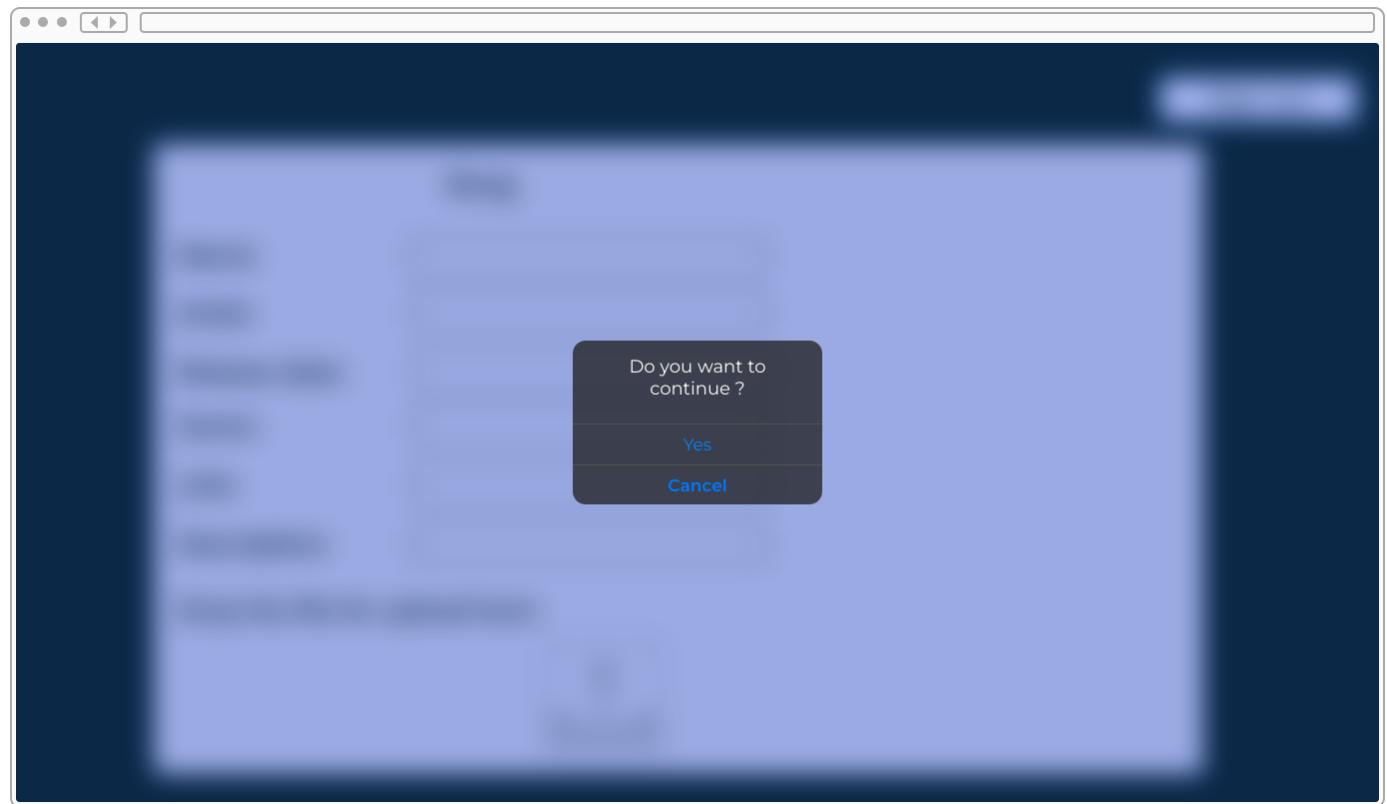

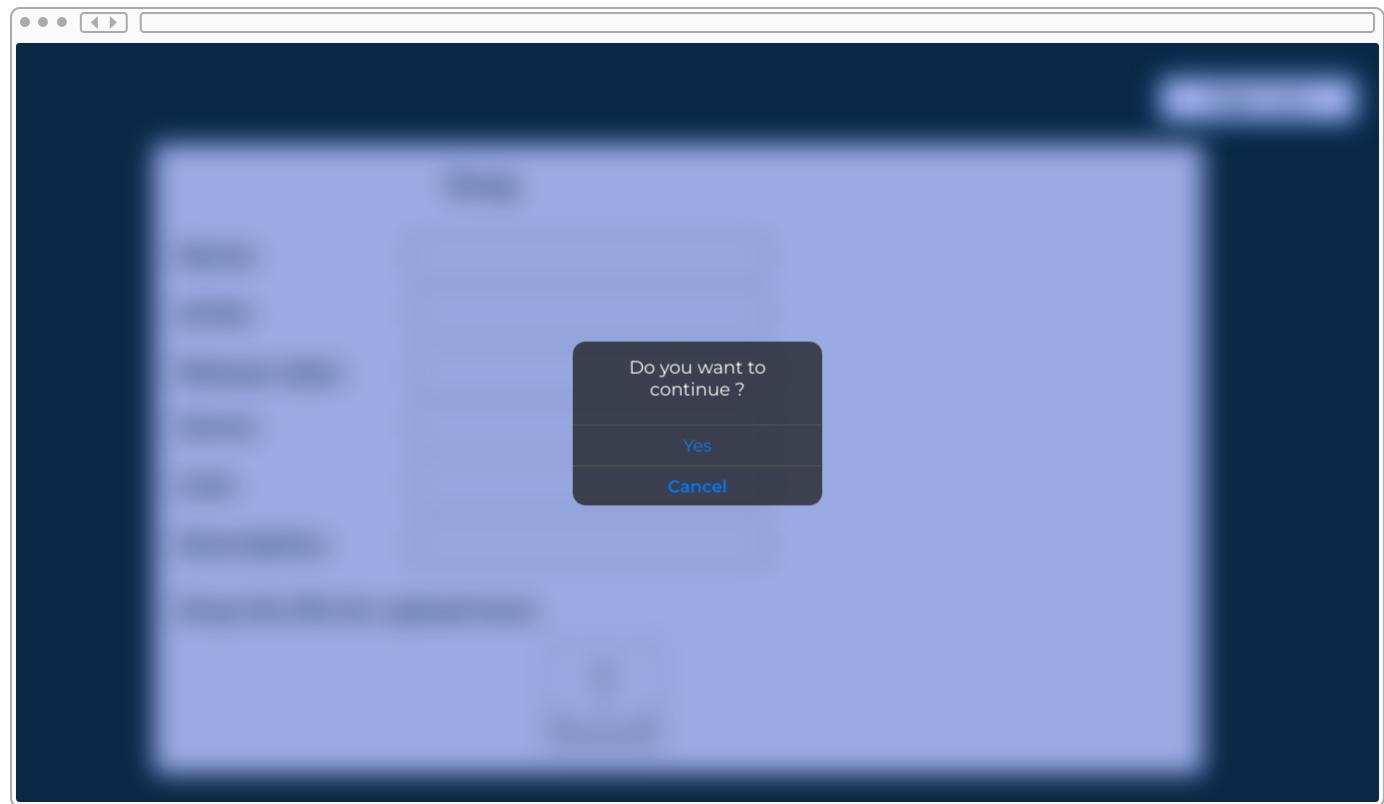

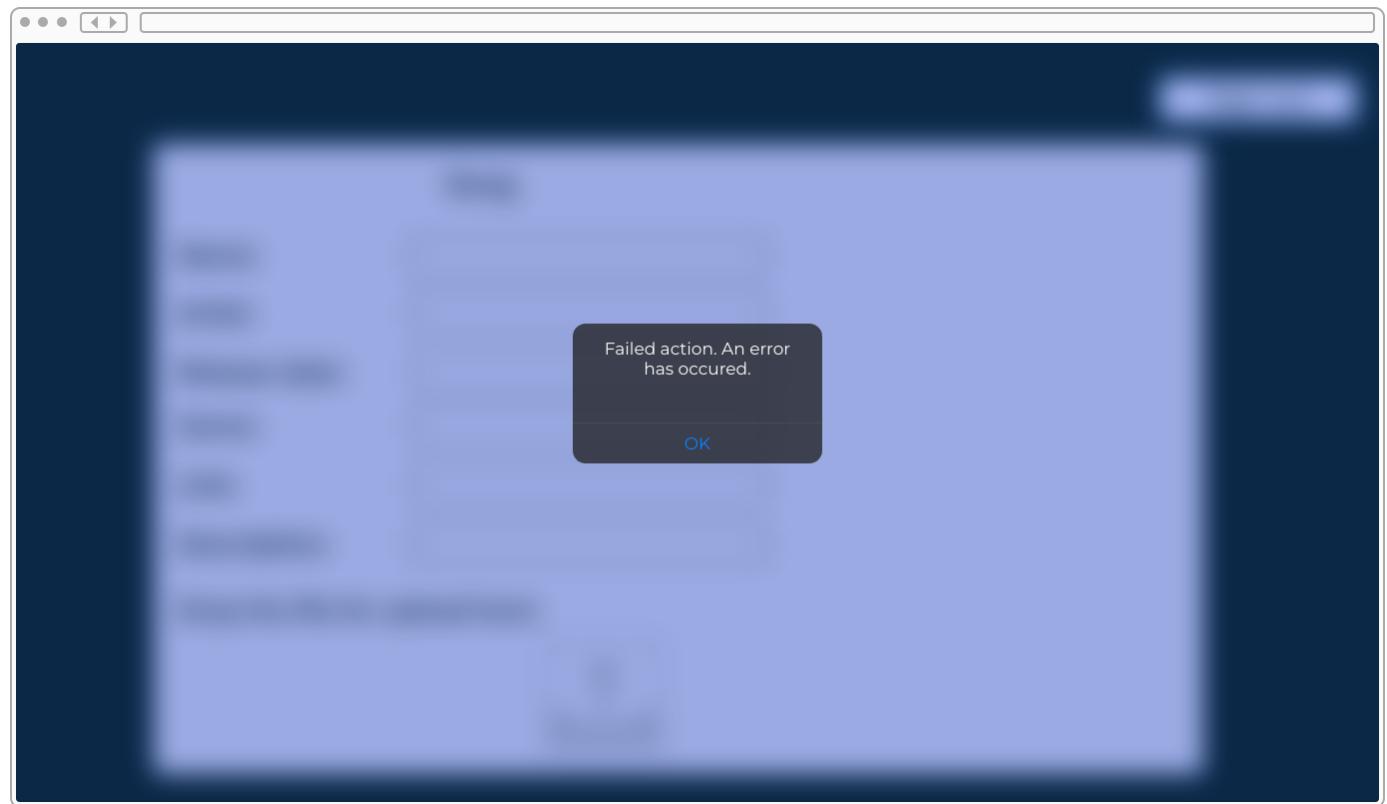

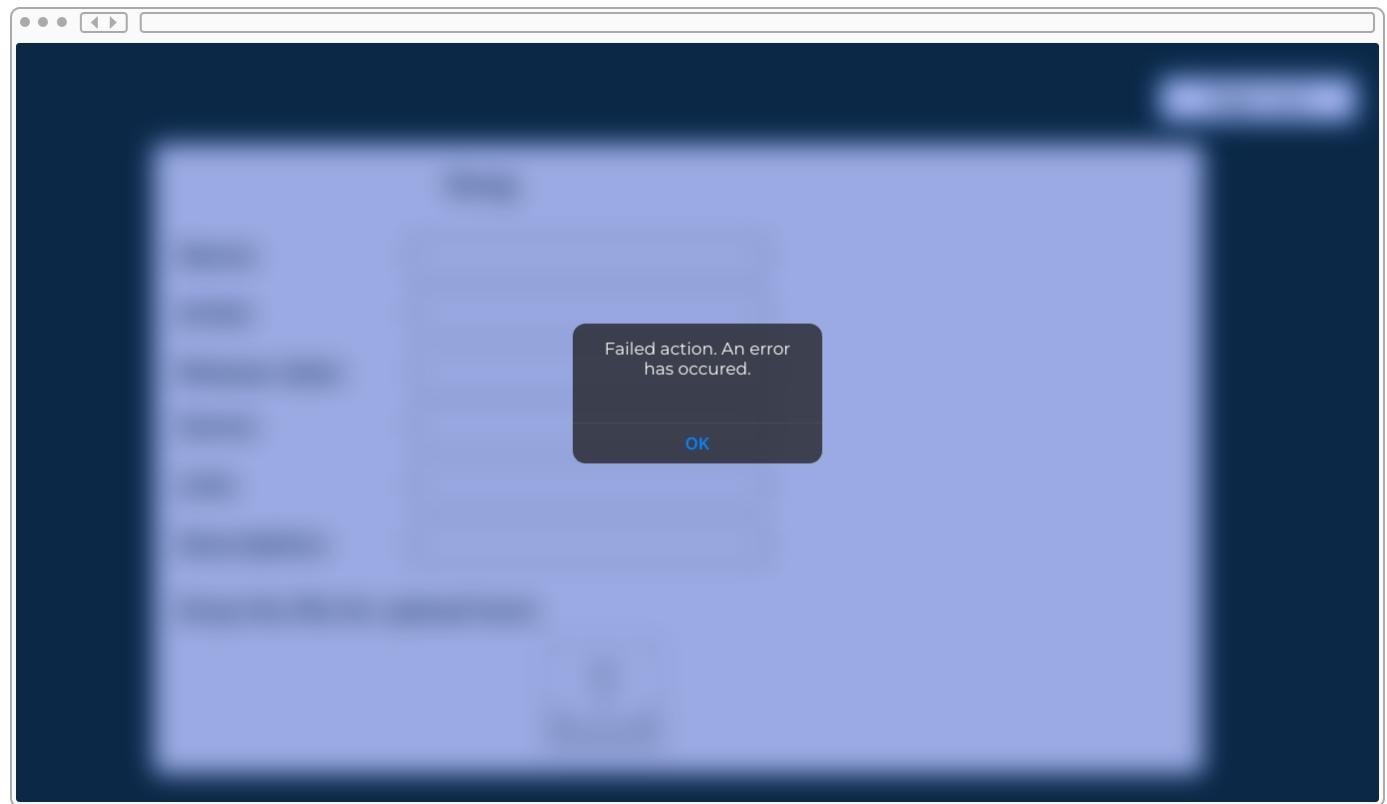

The screenshot shows a user edit form titled "User". The form contains fields for Name, Surname, Date of birth, Address, and E-mail, each with a corresponding input field. Below these fields are two checkboxes: "Registered user" and "Critic". At the bottom right are "Delete" and "Update" buttons, each with a small icon. The entire form is set against a dark blue background.

The prototype is a wireframe of a music streaming application. At the top left is a navigation bar with 'Home' and 'Artists'. A search bar with placeholder text 'Type here' and a 'Search' button are on the right. A user profile icon is also present. The main title 'Top songs' is centered above a grid of nine song cards. The cards are arranged in three rows of three. Each card includes the song title, artist name, and a small thumbnail image.
